Ref: Govt.Memorandum No.30596/F.52-3 dated 7-8-53.

The standardwar strength and attendance of pupils in Melady Fisheries Elementary school are furnished below:--

Standard.	May 53.	June 53	July 53.
I.	18/22	21/27	21/27
II.	28/36	27/31	22/31
III.	18/23	19/22	19/22
IV.	11/13	10/11	8/11.
V.	7/11	10/11	8/11.

I have no information as to whether the school is working in two sessions according to the Modified Scheme of Elementary Education. If the school is working in two sessions there may not be much need for the additional Elementary Grade teacher. At any rate it is not desirable to combine any two classes for the purpose of instruction. The employment of the teacher may be continued till the end of the current school year and the position reviewed early next school year.

Yours faithfully,

for Director of Public Instruction.

The Govt. sanction the continuance of the post of one Higher elementary grade teacher on Rs. 30-50 Pm employed in the Fisheries School at Melady in S. Kanara Dt. in pursuance of G.O. No. 824 Dev. of 3.3.52 till the end of the current School year.

2. The Director is requested to review the position early next School year and submit proposals for the continuance of the post, if it is found absolutely necessary.

3. The post was originally sanctioned in G.O. No. 824 Dev. of 3.3.52 in connection with the bifurcation of Standard I in the Melady School. The Director reported that owing to subsequent fall in strength, Standard I was not actually bifurcated, but the sanction in the G.O. was utilised to provide a teacher independently for Standard V in the School. This action of the Director was not in order. He should have obtained the approval of the Govt. to the arrangements made by him.

Sub:- Education - Fisheries School at Nelady in South Kanara Dt. Additional post of M.E. grade teacher - continuance - Regarding.

Ref:- from the D.P.I.-Lr. No 1359 | K.4.53 dt 13.11.53

Jo As.

In G.O. Ms 824 Dev dt 3.3.52, the Govt sanctioned among others the employment of an additional M.E. grade teacher in the Fisheries Elementary School at Nelady in S. Kanara Dt for teaching the additional class to be formed consequent on the bifurcation of Standard I.

2. In March 1953, the Director applied for the continuance of this post and certain other posts in other Schools. It was reported that due to fall in the strength of Standard I, that Standard was not bifurcated, but that the teacher appointed in pursuance of G.O. 824 Dev dt 3.3.52 were utilised for handling Standard V, opened that year. While pointing out that the above procedure was not regular, the Finance Dept suggested that in view of the poor strength in Standards III to V, the continuance of the additional teacher was not justified. But Education Dept, who were consulted suggested that the remarks of the D.P.I. might be obtained. The D.P.I. was therefore consulted - the remarks of the D.P.I. are at P 5 Cy.

3. The School at Nelady is having five Standards (with only one section for each). The strength of the staff of the School is five M.E grade teachers, including the one, referred to in para 2 above - The strength and average attendance of each of the Standards for May, June and July 1953, are as given at 'X' at P 5 Cy. The D.P.I has stated that 'if the "Revised Scheme of Elementary Education" has not been introduced in the School, the continuance of the additional teacher may be sanctioned till the end of the present School year and the position reviewed next year, as it will not be desirable to combine any two classes for purposes of instruction.

6

Mrs Storey submitted that the Govt. have accepted the recommendations of the Committee appointed to consider the Modified Scheme of Elementary Education as given in para 3 of the proposal to convert them into basic Schools. The Melady school will not therefore be working in two sessions. It is requested whether the recommendation of the D.P.I. will be accepted and sanction accorded for the continuance of the additional teacher at Melady School till the end of the current school year.

The irregularities referred to by Finance Dept at 'T' and 2 nf ⓟ may also be pointed out to the Director
